### **General Language Course 1**

#### **Target Group**

This course is intended as a refresher course for students who have perhaps not used or studied English for a quite a number of years or for foreign students, who have had little opportunity to learn English at school.

It offers a logical starting point for students who intend to take the Unicert II examination after four semesters.

#### **Course Objectives**

During this course, particular attention will be given to grammatical structure.

The tense system will be revised (present, past and future tenses). It also focuses on the four communication skills, reading, speaking, listening and writing. The aim is to give the pupils the confidence to express themselves freely in both the spoken and written language.

The course terminates with an examination of 60 minutes duration.

Diese Lehrveranstaltung ist zugleich Teil einer Kurskombination, mit der eine Zusatzqualifikation erworben werden kann: Das UNICert-Fremdsprachenzertifikat.
