### **General Language Course 3**

#### **Target Group**

This course can be taken by students who have either completed English General Language Course 1 or 2 or have a very good knowledge of the language which they have either acquired at school or during a stay abroad.

#### **Course Objectives**

This is a skills- oriented course, which offers the students more opportunity to practise their spoken English in a variety of situations. Information will also be given on student life in Britain and America as well as to other areas of Landeskunde (politics, geography etc.) Emphasis will also be given to effective oral communication.

The course terminates with an examination of 60 minutes duration.

Diese Lehrveranstaltung ist zugleich Teil einer Kurskombination, mit der eine Zusatzqualifikation erworben werden kann: Das UNICert-Fremdsprachenzertifikat.
