### General Language Course 4

This course can be taken as an AWP-Fach and it also serves as the last module in the Unicert courses. (General English Language Course 1-4/English For Your Job 1/2)

In order to take the Unicert II Examination, students have to take 4 courses and pass 4 tests.(AWP-Fächer). Each course counts as 2 Semesterwochenstunden. In order to enrol for the final oral examination you have to prove you have successfully completed 8 SWS.

The English General language Course 4 course is compulsory if you want to take part in the oral examination (Unicert II) and is intended as a preparation for this examination.

The emphasis in this course is on oral communication at an advanced level. The topics dealt with in class are based on current affairs. Course material is also taken from the Inside Out Advanced Course (Macmillan Verlag) which is available for participants from the library in the Naumanngebäude.

There is also a 60- minute written test at the end of the course.

Diese Lehrveranstaltung ist zugleich Teil einer Kurskombination, mit der eine Zusatzqualifikation erworben werden kann: Das UNIcert-Fremdsprachenzertifikat.
